Packing up the dreams God planted  
In the fertile soil of you  
I can't believe the hopes He's granted  
Means a chapter in your life is through

But we'll keep you close as always  
It won't even seem you've gone  
'Cause our hearts in big and small ways  
Will keep the love that keeps us strong

And friends are friends forever  
If the Lord's the lord of them  
And a friend will not say never  
'Cause the welcome will not end  
Though it's hard to let you go  
In the Father's hands we know  
That a lifetime's not too long  
To live as friends

With the faith and love God's given  
Springing from the hope we know  
We will pray the joy you live in  
Is the strength that now you show

But we'll keep you close (really really close!)  
As always (promise?)  
It won't even seem you've gone  
(Do we really gotta go?)  
'Cause our hearts in big and small ways  
Will keep the love that keeps us strong  
(I'm feeling better already!)

[2x:]  
And friends are friends forever  
If the Lord's the lord of them  
And friend will not say never  
'Cause the welcome will not end  
Though it's hard to let you go  
In the Father's hands we know  
That a lifetime's not too long  
To live as friends

Oh, a lifetime's not too long  
To live as friends

(Speaking:)

Bob:

It's been great out here with you Larry, even though  
neither of us have showered for five days. I'm glad  
we're going home now.

Larry:

Yeah, I miss my mattress, and my boxspring.
