I know that God loves me, I know that He cares,  
When Im feeling lonely, I know Hell be there,  
I like loving Him because He first loved me.  
I like feeling special, I like being me.  
And I like to give Gods love, I want to live by giving  
love,  
I want to love my friends and family, so they will know  
that God is love.  
I know that God loves you, I know that He cares,  
And when you're feeling lonely, I know Hell be there,  
I like loving Him, and I know you will too,  
I like yououre special, I like knowing you.  
And I like to give Gods love, I want to live by giving  
love,  
I want to love my friends and family, so they will know  
that God is love.
