Well then, you'll be glad to know
Our trail is coming to an end
Thanks for a great day on the road

Happy trails to you until we meet again
Happy trails to you, keep smiling until then
Who cares about the clouds when we're together?
Just sing a song and bring the sunny weather
Happy trails to you until we meet again

Yes, it has been a happy trail today
It's been a great day in the minivan
We went to the post office, the bakery, the drug store
Dry cleaners, the pet shop and the tapioca pudding
store
But now we're all back in the van and we're headed
home

Thanks for coming along on our little ride
Sorry if the seat belts were a little too tight
And the music was a little too loud
But at least we mostly stayed awake

So anyway, before we have to take another bathroom
break
It's time to say goodnight and we'll see you next time
On our happy trail

Happy trails to you until we meet again
Happy trails to you, keep smiling until then
Who cares about the clouds when we're together?
Just sing a song and bring the sunny weather
Happy trails to you until we meet again
Happy trails to you until we meet again

Thanks for coming everybody
Have a great day
