I just want to celebrate  
Another day of livin'  
I just want to celebrate  
Another day of life

I put my faith in the people  
But the people let me down  
So I turned the other way  
And I carry on, anyhow

That's why I'm telling you

I just want to celebrate  
Yeah, yeah  
Another day of living  
Yeah

I just want to celebrate  
Another day of life

Had my hand on the dollar bill  
But the dollar bill flew away  
But the sun is shining down on me  
And it's here to stay

That's why I'm telling you

I just want to celebrate  
Yeah, yeah  
Another day of living  
Yeah

I just want to celebrate  
Another day of living  
I just want to celebrate  
Another day of life

Don't let it all get you down, no, no  
Don't let it turn you around

Well, I can't be bothered with sorrow  
And I can't be bothered with hate, oh, no

I'm using up my time  
By feeling fine every day

I just want to celebrate  
Another day of livin'  
I just want to celebrate  
Another day of life

Don't let it all get you down, no, no  
Don't let it turn you around, round, round  
Round, round, round, round

I just want to celebrate  
I just want to celebrate  
I just want to celebrate
