Have you heard that stories of Jesus?
It's time that you should learn up
One day Jesus was teaching
In a house in old Caperdo
When out of the blue
Through a hole in the roof
A man was lowered down
And though he couldn't walk
When Jesus said get up
He jumped and ran around
It's a miracle, another miracle
Something only God can do
It's a sign, it's a wonder
How remarkable, incredible
Phenomenal, sensational miracle
Blind Bart sittin' by the road
In crowded Jericho
Begging for food, such a sad good old dude
It was a tale of woe
Till Jesus came by and heard his cry
Have mercy on me, Lord
And the next thing he knew
He was enjoying the view
His sight had been restored
(I can see)
It's a miracle, another miracle
Something only God can do
It's a sign, it's a wonder
How remarkable, incredible
Phenomenal, sensational miracle
Five thousand hungry people
Are crowded on a hill
But all they could munch was a little boy's lunch
How would they get their fill?
But Jesus took those loafs and fishes
He knew He had enough
He filled up baskets, plates and dishes
And broke and passed and broke and passed
And broke and passed until that last, everyone was
stuffed
God does miracles every single day
Just look around and you will say

It's a miracle, another miracle
Something only God can do
It's a sign, it's a wonderful miracle
It's a miracle, another miracle
Something only God can do
It's a sign, it's a wonder
I know I'm not dreaming 'cause seeing is believing
I got the life's spectacular [Incomprehensible]
Remarkable, incredible, phenomenal, sensational
miracle
