Oh Larry Boy, we need you now,
To show the way to save the day, to save the town
And from the cave, the tires squeal,
And to the rescue comes the cucumber of steel
Oh Larry boy we need you here
Won't you come and lend your super-suction ear
Larry Boy, your dynamite,
Fighting what is wrong and standing up for what is
right...
Cause what the world needs now is a hero
One who's kind and true and brave and bold
If you haven't guessed yet then it's time you know
He is the hero,
Oh Larry boy, You are the one
You'll always fight you'll never hide you'll never run
You got no arms You got no hair
But you'll come running if there's evil in the air
Oh Larry Boy, we need you here
Won't you lend your super-suction ear
Oh Larry Boy your dynamite
Fighting what is wrong and standing up for what is
right
Cause what the world needs now is a hero
One who's kind and true and brave and bold
If you haven't guessed yet
Then it's time you know
He is that hero...
(LarryBoy:)BumblyBird, your looking oh so pretty,
Besides Moose Lake, your my favorite city
And Bumbly-Bird, if ever I go away,
To Putneyville Moose Lake for gas (cause it's 10 cents a
gallon cheaper over there)
I'll bring you back a microwave burrito,
The kind with beans and spicy cheese!
Cause what the world needs now is a hero
One whose kind and true and brave and bold
If you haven't guessed yet
Then it's time you know (its time you know...)
That what world needs now is a hero
One whose kind and true and brave and bold
If you haven't guessed yet
Then it's time you know

He is that hero
LarryBoy: I AM THAT HERO!!!
