Everybody's doin' a brand new dance now
Come on baby, do the loco-motion
I know you'll get to like it if you give it a chance now
Come on baby, do the loco-motion

My little baby sister can do it with ease
It's easier than learnin' your ABC's
So come on, come on, do the loco-motion with me

You've got to swing your hips now
Come on, baby, jump up, jump back
Oh, well, I think you've got the knack

Now that you can do it, let's make a chain now
Come on baby, do the loco-motion
I know you'll get to like it if you give it a chance now
Come on baby, do the loco-motion

Do it nice and easy now, and don't lose control
A little bit of rhythm and a lot of soul
Come on, come on, do the loco-motion with me

You've got to swing your hips now
Come on, baby, well, jump up and jump back
Oh, well, I think you've got the knack

Move around the floor in a loco-motion
Come on baby, do the loco-motion
And do it holdin' hands if you get the notion
Come on baby, do the loco-motion

There's never been a dance that's so easy to do
It even makes you happy when you're feelin' blue
So come on, come on, do the loco-motion with me

Everybody's doin' a brand new dance now
Come on baby, do the loco-motion
I know you'll get to like it if you give it a chance now
Come on baby, do the loco-motion

There's never been a dance that's so easy to do
It even makes you happy when you're feelin' blue

So come on, come on, do the loco-motion
Come on, come on, do the loco-motion
Come on, come on, do the loco-motion with me
