"Love Your Neighbor"

My hair is curly, your hair is not
But when we look deeper, there's more that we've got
God made us special and now I can see
If you're special to Him then you're special to me

Love your neighbor
When someone helps you, then you'll understand
When you love your neighbor
Loving means lending a hand

My nose is red, your nose is not
But when we look deeper, there's more that we've got
God made us special and now I can see
If you're special to Him then you're special to me

Love your neighbor
When someone helps you, then you'll understand
When you love your neighbor
Loving means lending a hand

If you see someone who's hurt or in need
Maybe it's time to perform a good deed
And when you've finished you'll find that it's true
When you make them feel better, you'll feel better too

Love your neighbor
When someone helps you, then you'll understand
When you love your neighbor
Loving means lending a hand

Love your neighbor
When someone helps you, then you'll understand
When you love your neighbor
Loving means lending a hand
Loving means lending a hand

Oh, yeah, thanks for the hint
