

Veggie Tales **"My Day"**

In my bed I start to pray
And tell God all about my day

I woke up in my little bed
And put my hat upon my head
Cleaned my room and cleared my dishes
Told mom breakfast was delicious

I went to school, learned something new
And tried to follow every rule
I studied my vocabulary
Had some fun with Bob and Larry

And so it's good to know
How much You love me
It's true, the Bible says You do
You really love me
Your love was with me all throughout my day

I somehow overlooked my bed
It seems my dog is underfed
Forgot to change my underclothes
Watched one too many TV shows

I had some trouble sharing toys
And during rest time, made some noise
The walls are not for coloring
Sometimes I'm off-key, when I sing

And so it's really good to know
How much You love me
It's true, the Bible says you do
You really love me
Your love was with me all throughout my day

In my bed so quietly
I rest in knowing
God loves me
