I'll be the one in control! (evil laughing)
(Larryboy) Not so fast Bad apple
(BAd apple) First Bumbleburg, then the world!
(Larryboy) It's apple picking time
(shux) An ordinary citizen by day
changing suits when danger comes our way
our vigilant defender and our friend
Protecting us from villians to the end

There's no hero quite like Larryboy
Larry boy
Rock on Larryboy!

We've got to hurry!
