All the girls in the bathroom talking.  
Who they gonna take to the Sadie Hawkins?  
My ears are burning but I kept on walking.  
Smile on my face and an air guitar rocking.  
[Chorus]  
Sadie Hawkins Dance, in my khaki pants.  
There's nothing better.  
The girls ask the guys.  
It's always a surprise.  
There's nothing better.  
Baby do you like my sweater?  
Sitting in the back of my next class napping.  
Got up, gave a speech,  
then bowed to the clapping.  
Told a funny joke got the whole class laughing.  
I think I got a tan from the light in which I was basking.  
Scan the cafeteria for some good seating.  
I found a good spot by the cheerleaders eating.  
The quarterback asked me if I'd like a beating.  
I said, "That's one thing I won't be needing."  
And since I'm rather smart and cunning,  
I took off down the next hall running.  
Only to get stopped by a girl so stunning  
(only to get stopped by a girl so stunning?).  
She said, "You're smooth, and good with talking.  
Will you go with me to the Sadie Hawkins?"  
[Chorus]
