My mommy always told me to do what's right  
To wash behind my ears and try to be polite  
You see she loves me so, that's beautiful  
That's why she tells me what I need to know  
I've got a lotta respect for that woman

But sometimes when I'm playin' with a buddy or two  
They're doin' things I know I'm not supposed to do  
Well, do ya go along?  
Even though the things the do are wrong?  
I remember

Stand  
Stand up, stand up  
For what you believe in, believe in, believe in, God  
He's the one to back you up  
Will stand with you

When everybody tells you that you gotta be cool  
Remember what you learned in church and Sunday  
School  
Just check it out  
The Bible tells you what it's all about  
Oh, ya' know that's right

So if you have a question, go ask your dad  
And he can tell you if a thing is good or bad  
You'll make their day  
If you remember what your parents say  
What'd they say?

They told us, stand  
Stand up, stand up  
For what you believe in, believe in, believe in, God  
He's the one to back you up  
Will stand with you

Stand  
Stand up, stand up  
For what you believe in, believe in, believe in, God  
He's the one to back you up  
Will stand with you

Hey, stand with you, oh yeah
