Mordecai: You wanted to know why you became queen.
I tole you God must have a reason.
Perhaps he put you here, for such a time as this.
Perhaps This is the reason.
Ester: Tell me why, I don't understand.
Tell me why, or show me your hand.
Tell me why because I can't see my way through ~
What now...should I...do ~
(music plays)
(drums play)
The battle is not ours
We look to God above~
For he will guide us safely through
And guard us with his love
I will not be afraid
I will not run and hide~
For there is noting I can't face
When God is at my side
No, there is nothing I can't face
When God is at my side
The battle is not ours
We look to God above
For he will guide us safely through
And guard us with his love ~
