Laura: Good morning, George, how are you?  
I hope you're feeling fine  
I'd like to stay and talk, but it's almost 8 o'clock  
And I haven't got the time!  
George: See ya later!

Laura: Because we work real hard at the chocolate  
factory  
We start at 8, and we don't get lunch till 3  
I've got to drive a truck to make a buck  
So I can send it home to my family!

Mr. Lunt: Well now you are in trouble  
Your timecard is a wreck  
It's almost two past eight  
I'll tell Nezzzer that you're late  
And he'll take it from your check!

Laura: Yes, Mr. Lunt...

Mr. Lunt: Oh, yes, we work real hard at the chocolate  
factory!

Pa Grape: Excuse me, Mr. Lunt, but I've got an injury!

Mr. Lunt: Now get back on the line  
You'll be just fine!  
With all this work to do we've got no time for sympathy!

Larry (Benny): We use to be so happy

Bob (Rack): We use to laugh and run

Junior (Shack): Now there's no time to play  
'Cause we gotta work all day  
And it isn't very fun!

Bob: I'm Rack!

Junior: I'm Shack!

Larry: I'm Benny!

Bob, Larry and Junior: We work here in the plant.  
We'd like to take a break, for goodness sake  
But Mr. Nezzar says

Mr. Lunt: You can't! Ha!

All workers: We all need a vacation  
Our schedule is severe  
We're getting very tired,  
But stopping gets us fired  
So we'll have to stay right here.

Because we work real hard at the chocolate factory  
We start at 8, and we don't get lunch till 3  
We work the whole week through to make a buck or two  
So we can send it home to our families!

Some day they'll come and join us  
We'll live in harmony  
We hope that day is near,  
Until then you'll find us here  
At the Nezzar Chocolate Factory!
