The shepherds were a sittin,' watchin' all the sheep,
kikin' back, passin' time, tryin' not to fall asleep.
Suddenly, they heard a sound and couldn't say a word.
The sky lit up with blindin' light and this is what they
heard:

"Glory to God, glory to God on high. Peace on earth,
good will to men." Angels filled the sky! Glory to God,
glory to God on high.

We're singin' glory, all glory to God.

So fear had really knocked those shepherds to the
ground.

They looked all around but comfort just could not be
found.

Then they heard a sound that struck 'em to the core.

But this time they couldn't help but join as the angels
sang some more:

"Glory to God, glory to God on high. Peace on earth,
good will to men." Angels filled the sky! Glory to God,
glory to God on high.

We're singin' glory, all glory to God.

"Glory to God, glory to God on high. Peace on earth,
good will to men." Angels filled the sky! Glory to God,
glory to God on high.

We're singin' glory, all glory to God.

All glory to God.
