"Think Of Me"

Think of me everyday
Hold tight to what I say
And I'll be close to you
Even from far away

Know that wherever you are
It is never too far
If you think of me
I'll be with you

Know that wherever you are
It is never too far
If you think of me
I'll be with you

Think of me everyday
Hold tight to what I say
And I'll be close to you
Even from far away

Know that wherever you are
It is never too far
If you think of me
I'll be with you
