Narrator: And now's it time for Obscure Broadway Show Tunes with Larry. The part of the show where Larry comes out and sings an obscure Broadway show tune. Without further ado, from the unknown musical "Office Supplies," the heart-rending love song, "Where Have All the Staplers Gone?"

Larry: We don't have much time before the big meeting.

Petunia: No. No, we don't.

Larry: Have you seen the scissors, miss?

Petunia: They're in the bottom drawer

Larry: I tried that drawer but they're there no more

Petunia: That's odd

Larry: I know I thought for sure

Petunia: Have you seen the masking tape?

Larry: It's right next to the phone

Petunia: That's what I thought but now's it not

I guess I should have known

Together: Ohhhh...Where have all the staplers gone?

What happened to our paper clips?

Petunia: The ballpoint pens are gone again

Larry: They're gone again

Together: The stick-it pads have lost their stick

Do you remember when...

Larry: The rubber bands were in their place?

Petunia: They're in the middle drawer

Rubber Bands: Middle drawer, middle drawer

Larry: Light bulbs easy to replace

Petunia: Yes!

Larry: There were always more

Petunia: Reams of paper raining down

Paper: Raining, raining down

Together: Legal pads a plenty

Legal Pads: We're legal

Petunia: Highlighters in every hue

Larry: I remember!

Together: Never less than twenty

Ohhhh...Where have all the staplers gone?

What happened to our paper clips?

Larry: The ballpoint pens are gone again

Petunia: They're gone again
Together: We've run out of packing slips
Petunia: Someday my prints will come
Larry: Please replace the toner
Petunia: Someday we'll find more of
Larry: Our manila folders
Petunia: Someday my prints will come
Larry: Where's the printer cable?
Petunia: Someday we'll find more of
Together: Adhesive shipping labels
Ohhhh...Where have all the staplers gone?
What happened to our paper clips?
Paper Clips/Staplers: Paper clips
Larry: The ballpoints are gone again
Petunia: They're gone again
Together: The Sharpies all have flattened tips
Where have all the staplers gone?
