Raise the mast on the Steadfast  
Swifter than a bareback seahorse  
Sailing an uncharted sea course  
Who could survive such a dangerous mission?  
Alongside pirates with zero ambition...

We got the coconuts poured  
We dropped the hooks overboard  
And if you get a little sea sick  
We play a haddock for a hat trick

We got the hammocks on the main deck (swingin' low)  
We got the butler doing the hen-peck (screamin' so  
He say we should have swabbin' the poop deck (We  
don't know)  
It's what the other pirates do, do  
But we're bringin' you

Yo ho, Hero  
Standin' in the gap  
Where'd ya put the toys?  
Time to take a nap

Yo ho, Heroes  
Flighty as a bird  
Easy is the word  
Yo, I'm seeing no heroes

We're on a limbo craze  
It's a relic for our limber days  
Now we're stuck inside The Limbo Zone  
It's where the pirates go with too much time  
And a missing spine

Yo ho, Heroes!  
Standin' in the gap  
Where'd ya put the map?  
Take another nap

Yo ho, Heroes  
Strike a better pose  
That's the way it goes

Yo, I'm seeing no heroes!

We're on the bad mood swing  
We haven't done one thing  
Not even a minimum daily requirement  
We got the Funk without the Parliament

And if you're feeling a little seasick (Rise and shine)  
And if you wanna get off the guilt trip (Now's the time)  
Because the captain of the main ship (Rings the chime)  
He could be coming before you know him  
What are ya gonna show him?

Go Hero!  
Standing in the gap  
Taking up the slack  
Following the king's map

Go Hero!  
Steady as a rock  
I know it's it's a shock  
Yo, there be a hero

Go Hero!  
Standing in the gap  
Taking up the slack  
Following the king's map

Go hero!  
Steady at the wheel  
Keep an even keel  
Yo, there be the king's hero!
