black niagara  
of control spilling down to culture mock  
you can tell me  
feet will land on the ground, safe, and walk

tripping over gravity  
missing logic  
tripping over gravity

hicks on fire  
commuter virus has killed the balance ball  
stained with heaven  
always washing our legs won't move at all

tripping over gravity  
missing logic  
tripping over gravity

free thought pirates  
neon fights flashing rights on concrete lace  
sleepless tired  
walls of print chatting cage on jokers face

tripping over gravity  
missing logic  
tripping over gravity
