My wretched flesh stings just adding to my pain  
I must not live, I am a curse. What have I done?  
She was the only one, my life now meaningless. Merely  
wasting flesh  
I hate myself.

Her Flesh Since Rotten Away

I hate you Jesus I blame you  
You fucking bastard you stole her  
You made me worthless to myself  
The only answer....my revenge

It suddenly is so clear  
Sobbing through a smile....

When you've lost everything there is nothing more to  
lose, now my Revelation  
unfolds before me  
Back to School but with intent to spill the blood of  
Christ's sheep  
on my flesh

Christ, they will pay for your sins  
Everyone guilty in my eyes  
My blade warm in my moist hand

Who will be the first?

Quickly venturing into the bathroom, class is in session  
I find a young girl in a stall, I am in love again  
I want to take as many as I can  
This little whore gutted on the toilet  
My dick stiffens staring at her vagina  
Warm wet pool spreads across the tile

This is not a replacement

Like a spider web no escape  
This girls come in but never leave  
I start to lose count of my victims  
Blood to my ankles vindicates

They are on to me

I pierce my wrist  
This part is easy....

Blood pours form my arm, I cannot let them take me  
I give myself to satan, I will not let jesus have me
