"Unbreakable"

I hear them calling, the damned are calling
From this hell on earth
Their voices flooding my ears, I hear them calling
From this hell on earth
I sit back watching above sacrifice would mean relief
from these times
We all hold the power to trust and have faith in
ourselves
But just like a coward we flee from our hearts
Now is the time to believe in yourself
Have no fear how others think of you or will judge you
Because your greatness will silence them all
Unbreakable
Now is the time to believe
Now is the time to believe in yourself
Together, unbreakable, immortal
