Do it for love, don't hold you up
As for kisses, once hefty stuff
Don't be afraid, let me know
There's other places, baby, that I can go
If you don't like it, don't knock it
Somebody else, might go and rock it
Oh, if you don't need it, don't waste it
Somebody else, might wanna taste it
Aw, baby, Aw, baby, if the thrill, don't turn you on
And the will is much too strong
Don't waste my time, with your foolish ways
I got other plans, to do with my days
If you don't like it, don't knock it
Somebody else, might go and rock it
Hey, If you don't need it, don't waste it
Somebody else, might wanna taste it
Awww, hey, ooo, Lord, Lord, Ooww!
Who'll love, who'll dance with me
Who in all, will go all away round town
I'm the one, that turn you on
I'm the same one, that leave you alone

Don't knock my love, don't knock my love

Don't knock my love, baby, don't knock my love

AAWWW! Good God, almighty, it's alright

AAWWW! Yeah, don't knock my love
