I'm gonna wait till the midnight hour

That's when my love comes a-tumbling down

I'm gonna wait till the midnight hour

When there's nobody else around

I'm gonna take you girl and hold you

Do all the things I told you

In the midnight hour

Yes I am

I'm gonna wait till the stars come out

And see that twinkle in your eyes

I'm gonna wait till the midnight hour

That when my love begins to shine

'Cause you're the only girl I know

That can really love me so

In the midnight hour
