In The Midnight Hour

by Wilson Pickett and Steve Cropper

IUm gonna wait till the midnight hour, thatUs when my
love comes tumbling down

IUm gonna wait till the midnight hour, when thereUs no
one else a-round,

IUm gonna take you, girl, and hold you, and do all the
things I told you

In the midnight hour, yes I am, oh yes, I am

IUm gonna wait till stars come out, and see that twinkle
in your eyes,

IUm gonna wait till the midnight hour, ThatUs when my
love begins to shine.

YouUll be the only girl IUll love, and really love you so
in the midnight hour

Oh yeah, in the midnight hour

repeat & fade: IUm gonna wait till the midnight hour
