Great to be alive in the world
it's not what you've got

it's what you take.
Fight from day to day
don't take a chance
don't try

there's no escape.
But I push it and pull
but I push it and pull

it's a feeling inside I can't hide.
But I push it and pull
but I push it and pull

it's a feeling.

Scream: we need protection!
Where we gonna run? - I don't know
I don't know.
We need protection! Where we gonna run? - I don't
know.

I don't care who you are

you know they're trying to track me down.
If you don't like it
boy

you know the way to go all the time.

Scream: we need protection! . . .
War - what hell is what we've got.
- I don't know
I don't know.

Turning and turning
my life goes on

Though these things I see just call me

before me.
We need protection!

I don't know where to go from here -
I don't know
I don't know.
We need protection! - Where to go to
where to go?
We need protection! - I don't know

I don't know
I don't know
I!
