Watching the entire night
Pictures of you I once took
in my mind, was it alright?
Broke the rules by telling you
I liked you too much.
You didn't wanna see me
Watching you at your best
As you thought you were perfectly
Answering my questioning
The perfect man
Tonight, I'm gonna make millions out of light
I'm gonna pretend I am alright.
Eating the entire night
Raw fish trained 4 years
to kiss my lips as the main dish
Broke the rules by asking you
what I'd to do next.
And I never thought you'd had
Such a small small face
Though you always taught integrity
I find but disgrace

As you thought you were perfectly

Answering my questioning

The perfect man

Tonight, I'm gonna be questioning your rights

I'm gonna be strong enough to fight

The wrong reasons why you wanna be in love with me

Tonight I'm gonna make millions out of light

I'm gonna pretend I am alright
