the shock rings out from across the desert sky
the sun is bleeding into mine eye
i cant help but notice the way you talk
when darkness falls there will be war

im bleeding, yeah bleeding from within
im bleeding, yeah bleeding from within
im bleeding, yeah bleeding from within
im bleeding

just happens to be
the most precious night
that ive ever lived
and they're still fighting

im bleeding, yeah bleeding from within
im bleeding, yeah bleeding from within
im bleeding, yeah bleeding from within
im bleeding

burn burn burn burn x4

i said id like to know what im fighting for
ive no reason to die
i said id like to know what im fighting for
before i die

you give him the gun
and tell him to take a life
i said im not ready to do that baby
im not ready to do that baby

im bleeding, yeah bleeding from within
im bleeding, yeah bleeding from within
im bleeding, yeah bleeding from within
im bleeding

burn burn burn burn x6

whan darkness falls

burn burn burn burn x8
