Hey Ma good morning  
See what you're missing  
I can't live my life like this boy  
I said hey little lady  
See what you're missing  
I can't get enough of your love

She goes ah na na na...

How many times do  
I have to say this  
Your match is a light for me babe  
I said hey little lady  
See what you're missing  
I can't get enough of your love

She goes ah na na na...

The people, the people  
The people change the way you live now  
The people, the people  
The people change the way you live now

Hey Ma good morning  
See what you're missing  
I can't live my life like this boy  
I said hey little lady  
See what you're missing  
I can't get enough of your love

She goes ah na na na...

The people, the people  
The people change the way you live now  
The people, the people  
The people change the way you live now

I'll never burn in your fire (x3)

I'll never burn (x5)
