You decided long ago  
To let me in to your deepest soul  
You have given me  
A pride of place  
Then somehow you let it fade away  
I know you so well  
And I can tell  
When you've been hiding something from me  
Just let it go  
Let my love flow  
Let it bring you release  
Chorus:  
I have come  
To breathe new life  
Into the heart of a child of mine  
I have come  
To give you peace  
So lift your head and believe  
You were made  
In a beautiful way  
Born to be holy  
And sure of your faith  
Something inside you  
Has led you astray  
Now you're locked in a struggle  
And it won't go away  
I know you have been  
Down on your knees  
I saw you cryin' for mercy  
Well how can I help  
When you're still holdin' on  
To somethin' more precious than me  
Chorus 2:  
I have come  
To breathe new life  
Into the heart of a child of mine  
I have come  
To lift you up  
To set you free so believe  
It's all about total surrender  
It's all about total surrender  
It's all about total surrender

Givin' it up when the goin' gets tough  
Givin' it up when the goin' gets rough
