Father do You hear me
'Cause I know I hear You
I waited for the answers
While sitting here in my room
I danced to the rythm
And moved by myself
No one could see through me
Or hear the words I felt
Chorus:
Little voice inside keeps calling
Little voice inside it cries
Little voice inside keeps calling
Little voice-oh won't you be my guide
I sometimes hear the echo
The pattern of my cry
I sometimes feel the pulling
From a sound that's deep inside
Quiet are the whispers
And silent are my eyes
No one hears but me
That little voice inside, you see...
