What have I to offer to a world in need
Yet for some unknown reason
You have chosen me
Lord, you've set my journey
You've prepared the way
Still I'm desperate for the words to say
All I am is willing
All I have is in your hands
Speak for me, this my plea
Say the words I can't express
Sing for me, a heavenly melody
that the people will be blessed
Speak for me
Every brief encounter that you send my way
Is a chance to show
the love you gave me
I see their troubled faces
A hunger deep inside
Lord, I depend on you to touch their lives
Light which burns within me
Let your truth shine through my life
Speak for me, this my plea
Say the words I can't express
Sing for me, a heavenly melody
that the people will be blessed
Speak for me
Sing for me
Set me free and they will see your holiness
Speak for me
For your love will lead them on to Heaven's gate
where they can look upon Your face
Light which burns within me
Let your truth shine through my life
Speak for me, this my plea
say the words I can't express
sing for me, a heavenly melody
that the people will be blessed
Speak for me
Sing for me
Set me free and they will see your holiness
Speak for me, Sing for me

Speak for me
You're all I have to offer to a world in need
Mmm Hmm
