Mmm Girl we can go...Na na na
If you wanna go, we can do...Na na na
Just let me take you home, we can try...Na na na
Baby let me show you how to do...Na na na

Hot nights, coloured lights
Soft hips and your painted lips you gimme
One look and I was hooked
Cause you know summer love is on

You turn me on, you set me free
There aint no place I would rather be
and now it's time, you should be mine
and yeah, you know summer love is on

(Chorus)
I feel so free, cause summer love is on
I feel so free yeah, cause summer love is on

Girl we can go...Na na na
If you wanna go, we can do...Na na na
Just let me take you home, we can try...Na na na
Baby let me show you how to do...Na na na

(Chorus)

One rule, keep your cool
I sure got my eye on you and gimme
One chance, just one dance
Cause I know summer love is on

You turn me on, you set me free
There aint no place I would rather be
And now it's time, you should be mine
And yeah you know, summer love is on

(Chorus x2)

I feel so, I feel so, I feel so free
I feel so, I feel so, I feel so free yeah
