Hold it here boy is that your bag
In a small sneak and you've just been had
Is that your scene bin, been what have I seen
Well take a seat, feet, get your feet a seat

Put circle round this this and a circle round that
You put one in the front, and one in the back
Would you show it to your mother or share it with
another
Slow down bitch
Oh bitch slow down

I'm so good, I'm so good, I'm so good, man I've been
so good
I'm so nice, I'm so nice, I'm so nice, man I'm so nice

I'm here to harass you, I want your pills and your grass
you
You don't look first class you
Let me look up your ass you
I smell dope, I smell dope, I smell dope, I am smelling
dope
I smell dope, I smell dope, I smell dope, I am smelling
dope
Holiday

We're so good, We're so good, We're so good, man
we've never been so good
We're so nice, We're so nice, We're so nice, man we've
never been so nice
