After you go, I can catch up on my reading  
After you go, I have lot more time sleeping  
And when you go, it looks like thing's gonna be lot  
easier  
Life would be at easier  
I really should be glad.

Chorus:  
But I'm bluer than blue  
Sadder than sad  
You're the only life this empty room has ever had  
Life without you is gonna be  
Bluer than blue..

After you go, I have a lot more room in my closet  
After you go, I stay out long if I feel like  
And when you go, I can run through the house  
screaming  
And no one will ever hear me  
I really should be glad  
(Repeat Chorus)

I don't have to miss no tv show  
I can start my whole life over  
Change the numbers on my telephone  
but tonight will sure be colder.  
(Repeat Chorus)

Bluer than blue  
Bluer than blue  
Bluer than blue
