Party People

Party People

Yo, party people let me keep this thing rocking
Party People

Yo, party people let me keep this thing rocking
You know just like way back then
We were all freakin'
Every kind of people
Yo, party people let me keep this thing rocking
You know just like way back then
We were all freakin'
Every kind of people
Yo, party people let me keep this thing rocking

Party People

You know just like way back then
Every kind of people
You know just like way back then
We were all freakin'
Yo, Party people let me keep this thing rocking

Party people
Party people
Party people
Party people

You know just like way back then
Every kind of people
You know just lik way back then
We were all freakin'
Yo, Party people let me keep this thing rocking
You know just like way back then
Every kind of people
Party People
