[Verse One- Lil' Flip]

She wanna get me for my pimp juice
Cuz she gone of the x, and that grey goose
Plus Imma pimp hoe, so I can't pay you
You understand I'm the man
And gettin' money, is the motherfuckin' plan
I'm like a kick stand, cuz I'm always leanin'
I never do the speed limit, so I'm always speedin'
And it don't take much, to make me happy
Cuz I bin have this shit, way before I was rappin'
Went to cappin', before I, get to clappin'
Niggaz kamikazee style, and make sho I hit the cabin
But don't hold the grudge, when I go see the judge
Till ya locked up nigga, you can't fuck
And ya baby mama, still in the free world
You thought she had one child, now she got three girls
Boi, I'm the real mcoy, you niggaz too faced
I pull a gun to ya mouth, like toothpaste
We in a new state, tryna get the big lick
I got money on my mind, nigga fuck a bitch
Don't worry about snitch, cuz they talk too much
That's how dumb ass niggaz, get coughed up
But not me, cuz I never hang out
I got chopper bullets, watch them hoes rang out
And when them cops pull up on the scene
Nine times outta ten, Imma be wit will lean

[Hook- Lil' Flip]

I know you wanna hit the club on dubs, don't ya
I know you wanna smoke all of my bud, don't ya
I know you wanna be my new bitch, don't ya
But I'm sorry, cuz lil flip don't want ya

[Verse Two- Lil' Flip]

Yeah I don't want ya nasty ass girl, ya gotta be fine
I can't fuck a eight or a seven, you gotta be a dime
I seen you niggaz, gotta be wit stupid hoes
But I feel em, cuz them hoes buy a niggaz clothes

Fuck the clothes, make ya hoe by ya dro
Pay ya bills, change ya grills, brang you wheels
Lil flip jus got a deal, Imma keep it I got game
You should peep it, you are lame
I'm the flip, the freestyle king of the freestyle gang
I don't sniff nuthin', all I do is split buttons
When I pull up to the club, they say flip stuntin'
