i wanna be with you everywhere,
Oh i... i wanna be with you everywhere
Oh i... i wanna be with you everywhere
Oh i... i wanna be with you everywhere
i wanna be with you everywhere
i wanna be with you everywhere

Can ya hear me calling
Out your name
You know that I've fallen and i dunno what to say
I speak a little louder
Or even shout
You know that I'm proud
And I can't get the words out

Oh i... i wanna be with you everywhere
Oh i... i wanna be with you everywhere
I wanna be with you everywhere
I wanna be with you everywhere

Somethings happening
 Happening to me
 My friends say I'm acting peculiarly

Come along baby
We better make a start
You better make it soon
Before you break my heart

Oh i... i wanna be with you everywhere
Oh i... i wanna be with you everywhere
I wanna be with you everywhere
I wanna be with you everywhere

[illegible]

Oh i... i wanna be with you everywhere
Oh i... i wanna be with you everywhere
