"Becoming X"

You can keep breathing,
I only fall when you are near me,
Incomplete;
I only talk when you can hear me,
Keep dreaming,
can't wake up until I'm sleeping,
Lost on me;
close to something I'll never be.
Close to something I'll never be.
If I just stay here,
close my eyes can you still see me?
Obsolete;
very nearly something to see,
Still see me,
I can't wake up for sleeping,
Incomplete;
very nearly something to me,
See me,
there's a punishment needed,
Obsolete;
very nearly something to be

Very nearly something to be.

You can keep trying,

drown in sleep to be flying,

See for Miles;

something that I wanted to be,

I can't wake this dream,

prototype ends up has been,

Incomplete;

The consequence of something to be
