Visit "Low Five" on MotoLyrics.com

it takes too much to please me

attached but no real feeling

high fives and corporate anthems

nothing comes to mind

kitemarked for true low standards

where more wants all and no less

just change with no real progress

nothing comes to mind

i want higher

still nothing comes to mind

give me a low five

'cause i can't help myself

i'm a low five downsize no-one else

do you love yourself?

these altered states and egos

potential less than zero

found god in san diego

nothing comes to mind

i half expect to find myself

in full control of nothing else

last hope but learnt to hope less

nothing comes to mind

i want higher

still nothing comes to mind
