it will never happen again  
is a promise i just can't keep  
when i'm all alone on the porch  
and you're drifting off to sleep  
i've changed so much this year  
but i did it for you my dear  
if you let me stick around  
i'll never let you down

(chorus)

well i guess that i was wrong (well i guess that i was  
wrong)  
i was mistaken all along  
and it's hard to admit its the end

so i'll say i'm sorry again (and again and again and  
again)

you wanted to change my mind  
by falling a bit behind  
we could never be the same  
you refuse to take the blame  
well i guess it happened again  
if already didn't know  
sometimes it's hard to believe  
we've sunk so low

(chorus)
