Sometimes, I just want to kill you
When you see me crying, you know it's one of those
times.

I know that you love me, but that's not important.
What I want to know is, what's so good about love?

(Chorus)

It's What You Say that reminds me of why, I love you so.

It's What You Do that reminds me of why, I hate you.

It's What You Say that reminds me of why, I love you so.

It's What You Do that reminds me.

Most times, I don't want to see you.

When I see you crying, you know it's one of those
times.

I know you don't love me, but that's not important.

What I want to know is, what's so good about love?

(Chorus)

(Instrumental Break)
