I know a girl by the name of Rita  
light skinned Puerto Rican, I call (MIRA)

shes a porno flick on the dance floor

twistin churnin drips of sweat  
a little bass thump, rita's wet  
once she's thru fellas flock to her  
girls (CLAP) while the beat just rocks her side to side  
the beat goes boom  
the new jack is up sayin give me some room  
once again rita's ready a smile on her face  
the crowd breaks north givin rita space  
big butt movin' (In A) strokin' pattern  
the crowd made a circle like the ring around saturn  
as for the new jack he just consumed  
his body mutilated like he just been chewed

she's dangerous on the dance floor x4

huff puff (BLOW) down the house  
the latin in satin make the big butt bounce  
swing left to right and right to left

she wears leather and lace, a skirt made of satin  
you like her, ya love her, (To) love the loose latin
