BONANZA

Original BONANZA lyrics from the closing theme of early episodes:

(Little Joe) I've got a flair for women everywhere --

Bonanza!

(Hoss) Bonanza! Ai-AI-AI!

(All) I'm gonna call on any gal at all, she's gonna welcome me.

(Ben) I'm not afraid of any pretty maid -- Bonanza!

Bonanza!

When I give a kiss to any pretty miss

She'll learn a lot from me!

(All) One for four, four for one

This we guarantee

We got a right to pick a little fight - Bonanza! Bonanza!

If anyone fights any one of us

He's gotta fight with me!

[These additional lyrics are unconfirmed]

(Ben) I'm not afraid of any pretty maid -- Bonanza!

(All three) Bonanza!

When I give a kiss to any little miss

She'll learn a lot from me

Hair of brown, hair of gold

I take what I see

We're not a one to saddle up and run -- Bonanza!

Bonanza!

Any one of us who starts a little fuss

Knows he can count on me

One for four, four for one

This we guarantee

We got a right to pick a little fight -- Bonanza!

Bonanza!

If anyone fights any one of us

He's gotta fight with me!
