Wyclef-

I go by the name of Wyclef Jean

We are the Refugee All-Stars (one two)

We salute the soldiers around the world (hell yeah)

This one is called bullet in your bubblegoose

Cartman-

Mack 10

Kyle-

Cartman, this isn't Mack 10

Cartman-

Sure it is, it's Mack 10

Wyclef-

Sit right back and you'll hear a tale

Of a hustler 'round my way

Who used to clock around the block

From where my grandma stayed

Black BMW wit' rims to match

Windows bulletproof

One night he jumped out the car

And caught a bullet in his bubblegoose

All

He caught a bullet in his bubblegoose

He caught a bullet in his bubblegoose

You can be at the party gettin' loose

But you can catch a bullet in your goose

Wyclef-

Sit right back and you'll hear a tale

Of a young girl around my way (westside)

Who used to dance around the way

From where my homeboy stayed

Black BMW with rims to match

Windows bulletproof

One night she jumped out the car

And caught a bullet in her bubblegoose

All

She caught a bullet in her bubblegoose

She caught a bullet in her bubblegoose

You can be at the party gettin' loose

But you can catch a bullet in your goose

Cartman-

Mack 10, you guys

Stan-

Cartman-

All
She caught a bullet in her bubblegoose
She caught a bullet in her bubblegoose
You can be at the party gettin' loose
But you can catch a bullet in your goose
Kyle-

Cartman-
