earthworm jim,  
the soil he did crawl  
earthworm jim,  
a super suit did fall.

jim was just a dirt eating,  
chewing length of worm, flash  
but all that came to a crash  
and gave him lots of power

earthworm jim,  
he's such a groovy guy  
earthworm jim,  
he rocket's through the sky

cruising through the universe  
having lot's of fun,  
here comes earthworm jim you know  
that he's the mighty one  
--- look out ---

la la la la, la la la la, la la la....

despite his great big muscles  
and his really big ray gun,  
jim is still an earthworm  
but then he's the only one,

with a super suit to make him really super strong,  
jim can be a winner if we only sing along...  
(alright)

earthworm jim,  
we think he's mighty fine  
earthworm jim,  
a hero for all time

earthworm,  
earthworm,  
earthworm,

earthworm, jim  
hooray for jimmmmmmm

-groovy.
