### "Eyes Of A Child"

The eyes of a child,  
so innocent and pure,  
a child's heart is full of soul.  
Take their tiny hands,  
and lead them to the light,  
as adults we see pain in the world,  
and it sometimes don't seem right.  
Through the eyes of a child,  
the world seems magical,  
there's a sparkle in their eyes,  
they've yet to realise the darkness in their soul.  
The beauty of their smile,  
adventurous and wild,  
life is kinda gay,  
but it doesn't seem that way,  
through the eyes of a child.  
So don't give up,  
even when the road seems long,  
just find that child inside of you,  
(yeah you've got to find you)  
Spread your wings and fly,  
to the brightest star,  
if you want I can even get my  
friend Steve to detail your car,  
for about 20 bucks...  
...but through the eyes of a child,  
the world seems magical,  
there's a sparkle in their eyes,  
they've yet to realise the darkness in their soul.  
The beauty of their smile,  
adventurous and wild,  
sure life is kinda gay,  
but it doesn't seem that way,  
through the eyes of a child.  
Got an eye on my hand,  
I've got an eye on my hand,  
I've got an eye on my hand,  
but still I can't find you,  
eye on my hand,  
where have you gone girl?  
eye on my hand,

I pulled it up behind you,  
eye on my hand,  
don't turn around now,  
cos I'm right there,  
I'm coming up behind you.  
Through the eyes of a child,  
the world seems logical,  
there's a sparkle in their eyes,  
yet to realise the b\*\*tards they really are.  
The beauty of their smile,  
adventurous and wild.  
Sure life is kind of gay,  
but it doesn't seem that way,  
through the eyes of a child.  
Sure life is kind of gay,  
but it doesn't seem that way,  
through the eyes of a child.
