"Feel Like Makin' Love"

Baby, when I think about you, I think about love
Darlin', I don't live without you, and your love
If I had these golden dreams of yesterday
I would wrap you in their heaven
But ??????? dying on the way,
Feel like making love
Feel like making love
Feel like making love
Feel like making love
Baby, if I think about you, I think about love
Darlin', if I live without you, I live without love
If I had the sun and moon, and the shining
I would give you both night and day
Love is so satisfying
Feel like making love
Feel like making love
Feel like making love
Feel like making love
