Hey baby, I hear the blues a-callin',  
Tossed salad and scrambled eggs

Oh My  
Mercy (alt: Quite stylish.)

And maybe I seem a bit confused,  
Yeah maybe, but I got you pegged!  
Ha, Ha, Ha, Ha!

But I don't know what to do with those tossed salads  
and scrambled eggs.  
They're callin' again.

(The following are alternate endings)

They're callin' again.  
Good night, Seattle, we love you.  
What is a boy to do. Good night.  
Frasier has left the building.  
Thank You!  
Scambled eggs all over my face. What is a boy to do.  
Goodnight, everybody.  
See you next year, we love ya.
