I'm a Huboon Baby  
I'm a cross between a human and an ape  
I'm all gagged out  
I'm gonna hoot, I'm gonna root, I'm gonna rape  
People look at me and laugh  
And make fun of my face  
I laugh right back  
I don't want to be part of the human race  
Ha ha ha  
I did it to myself  
And now somebody's gonna be sorry  
I'm a Huboon Baby  
Gonna mess around with all you fools  
I'm all pumped up, I'm gonna rap, I'm gonna snap, I'm  
gonna rule  
I had the operation, nothing else left to do  
Well, looky here, I've been hurt,  
I'm gonna hurt you  
Now somebody's gonna be sorry  
like all you witches and your slime,  
and all you red-winged pin heads,  
Who make screwing a big crime  
You tittie twisted up my life,  
and pissed on all my dreams  
You made me hate myself,  
Now come on, shoot me, set me free  
Let's go  
He's a Huboon Baby, he's really all fudged up,  
He's a Huboon Baby, he's really all fudged up,  
He's a Huboon Baby, he's really all fudged up,  
I did it to myself  
Now somebody's gonna be sorry  
Well, I'm a Huboon baby,  
I'll grow up to be the President  
I'm outside, I'm ticked, I'm really freaked, I'm really  
bent  
Big town papas better hurry hide your little girls,  
I'll drop thier bones I'll sniff 'em around the world  
Now, somebody's gonna be sorry,  
All you wenches and you snobs  
And all you red-winged

Who make screwing a big crime  
And you tittie twisted up my life  
And pissed all over my dreams  
You made me hate myself  
Now come on shoot me, set me free  
I'm a Huboon Baby  
I'm a cross between a human and an ape  
I'm all gagged out  
I'm gonna hoot, I'm gonna root, I'm gonna rape  
People look at me and laugh  
And make fun of my face  
I laugh right back  
I don't want to be part of the human race
