Stan: Howdy folks, lets go for a ride.
Get your favorite one to sit by your side.
Cuddle up in the sleigh,
Giddy up Nellie Gray!
And away we go!
Wendy: While you're listening to the sleigh bells ring
You're yodeling to your bay-be.
You'll feel nice and warm
No matter how cold it may be!
Stan: Take a look at little Jack and Jill
They ski down a hill
There's a snow plow turn
Look there's a spill
There's a spill on the hill
When you're down its a thrill
To get up again.
Together: Everybody ought to learn to ski
'Cause that's how we first met.
Wendy: We were that Jack and Jill
That came down a hill
Stan: When I looked at you
My heart took a spill
Wendy: Took a spill on a hill
Stan: It's a thrill...
Together: ..that I can forget.
It happened in Sun Valley
Not so very long ago
Stan: There were sunbeams in the snow
And a twinkle in your eye
Wendy: I remember, oh so clearly
That you nearly
Passed me by
Together: Then it happened in Sun Valley
When you slipped and fell and so did I!
Wendy: Catch me Stan!
Stan: [BARF]
Wendy: Ewww!
Look, Stan! I made a snow angel.
Stan: [BARF]
Wendy: Ewww!
Together: I remember oh so clearly

That you nearly
Passed me by
Then it happened in Sun Valley
When you tripped and fell and so did I
Stan: Now every year we go back and then
Wendy: We recall that fall and that moment when
Stan: We were there on the hill
Together: So we both take a spill
And we're Jack and Jill... again.
Wendy: [KISS]
Stan: [BARF]
Wendy: Ewww!
